Empowering people through artistic practice

“art is not what you see
but what you make others see”

The Community Living Society was founded in the 1970's by a group of family advocates who wanted individualized, community-based services that would allow their children typical, inclusive lives. The CLS believes that all people have the ability and the right to fully participate in, and contribute to, their communities. We work with individuals and their family members to design the type and amount of support needed to help increase independence and realize dreams.

PotteryWorks is supported by the Community Living Society.

Pottery Works

Who We Are

PotteryWorks is a studio/gallery space located in New Westminster that is supported by the Community Living Society. A collective of talented painters, potters and jewelers create original works of art for exhibition and sale. Some of the PotteryWorks artists receive support; others attend independently, each inspiring one another to reach their artistic aspirations. Working artists provide instruction for those who want to improve their skills and techniques. The artists of PotteryWorks exhibit their work at art shows and galleries around the Lower Mainland.

Snap Photography Club

Snap Photography Club is a way for people to express their talent in art through photography. It is held every Tuesday afternoon at the PotteryWorks Studio. Photographers meet at the Studio and go out into their community to take photos. The results of their work are shown at art shows and sold throughout the Lower Mainland.

The Colour Collective

The Colour Collective is a group of seasoned painters at Potteryworks. They show their work throughout the Lower Mainland and approach the production of their paintings seriously. The sale of their work is a source of income for them, but more importantly it is an opportunity to showcase their abilities and meet the public.

Art Shows/Exhibits

The PotteryWorks Studio displays their work throughout the year at many locations throughout the Lower Mainland. For a listing of current shows, sales and exhibits please visit our Facebook page or our website.
