FUSED GLASS STUDIO & GALLERY

Studio Seventy Three, located in Surrey is home to a group of artists who work with glass to create beautiful glassware, decorative pieces and wearable art. These glass artists are fully trained in using techniques of molding and fusing to bring their original designs to life.

The artists are supported by a team of professionals who assist them in learning new techniques, as well as in the use of glass kilns and other equipment. The artists of Studio Seventy Three exhibit their work at art shows and galleries around the Lower Mainland.

In addition to our retail sales, we offer at home kits and classes.

The Community Living Society was founded in the 1970's by a group of family advocates who wanted individualized, community-based services that would allow their children typical, inclusive lives. The CLS believes that all people have the ability and the right to fully participate in, and contribute to, their communities. We work with individuals and their family members to design the type and amount of support needed to help increase independence and realize dreams.

Studioseventythree is supported by the Community Living Society.
